

Walid S. Basoudan

Walid S. Basoudan is the Strategic Planning Coordinator and Deputy Chairman of Projects for the Saline Water Conversion Corporation (SWCC). He has been with SWCC for over nine years. Previously, he held various titles including Acting Chairman of Power and Water Teams, and Senior Engineer and Member in the SWCC Committee of Gas Initiative Programs.

Prior to joining SWCC, Mr. Basoudan held several positions at Saudi Aramco, such as Senior Project Manager and the Turn Around Planning Supervisor. He began his career as an engineer with Saudi Aramco in 1987.

Mr. Basoudan is an active member of various organizations and committees at Saudi Aramco and SWCC. These include the Refinery Upgrade Program Team, the Gas Initiative Program, Independent Water and Power Projects, and the SWCC Strategic Planning Committee.

Mr. Basoudan received his B.S. in Mechanical Engineering at King Fahad University of Petroleum and Minerals.
